THE FOUNDATION OF A GREAT HOSPITAL

is the quality of its medical staff. Chilton Memorial Hospital is a 260-bed acute care, community hospital committed to providing high quality health care and excellent service. Its 585 physicians are experienced in 55 primary care and specialty disciplines, and their efforts are supported by more than 1,000 allied health care professionals.

To help you become better acquainted with our physicians, we have listed their names, contact information, and brief definitions of their specialties in this guide. An alphabetical list of all physicians is located at the back of the booklet for quick reference.

If you have any questions about our physicians, or if you would like to learn more about their credentials, specialties, office locations, or the insurances they accept, please call our Physician Referral Line at 1-888-CHILTON. The Physician Referral Line is answered 24 hours a day, seven days a week. Our operators can even assist you in making an appointment at the time of your call.

Additional information about the Hospital's physicians, services, departments, upcoming events, and a virtual tour of the Hospital are available online at our award-winning web site, chiltonmemorial.org.

The Administration and Medical/Dental Staff of Chilton Memorial Hospital wish you continued good health, and hope this directory will serve as a useful tool in your pursuit of a healthy lifestyle.
